

AFAQ SHAHID

(FULL STACK DEVELOPER)

Lahore Pakistan · +92 (320) 067-3384

afaqshahid@aol.com · www.linkedin.com/in/afaqonwork

Motivated Full Stack Developer and SAP Technical Consultant with hands-on experience in developing web applications using **Angular, .NET, Node.js, and SAP Business One**. Proficient in both front-end and back-end development. Passionate about leveraging **SAP B1 API, DI API, and Service Layer** to build scalable business applications. Eager to contribute to innovative projects in a collaborative environment.

EXPERIENCE

August, 2024 - November, 2024

TRAINEE SOFTWARE ENGINEER

SEEBIZ PVT LTD, LAHORE

Our team at SeeBiz Pvt Ltd honed my skills in Frontend Development, Backend Development, and Databases, shaping me into a proficient Full Stack Associate MEAN Stack Developer. The hands-on experience I gained during my time there significantly contributed to my practical understanding of technical systems and collaborative work environments.

November, 2024 - PRESENT

SAP B1 TECHNICAL CONSULTANT

Business Line Company, LAHORE

At Business Line, I am expanding my expertise in SAP Business One development, focusing on backend development, API integrations, and enterprise solutions. My hands-on experience here is enhancing my technical proficiency in SAP B1, while also strengthening my ability to develop scalable business applications and collaborate in dynamic team environments.
